Celebrate Reading Program Description: Since 2000, the Celebrate Reading - Maui community has included teachers, students, librarians, and residents of Maui, Lāna'i, Moloka'i, and Hāna. This program provides the opportunity for intermediate, high school, college students, and Maui County community members to come together to celebrate reading and writing through shared booklists, provided books, guided discussions of selected books, writing workshops, and events that allow participants to meet authors from the booklist. All events are offered free-of-charge throughout the academic year.
